PRACTICAL NURSING

ABOUT THE PROGRAM

Graduates of this program are eligible to apply to take the National Council Licensure Examination - Practical Nurse Examination (NCLEX-PN).

The program provides nursing care for clients in health care settings. Students learn to participate in the nursing process to promote and restore health patterns for people across the life span. Students participate in theory, lab and clinical learning environments.

CCCC Career Community

Students interested in Health Sciences like to help people feel better. They can work independently, but prefer to work in groups or teams. They are detail-oriented, compassionate, and think critically to solve problems. They work well in stressful situations and do not get queasy around blood or bodily fluids. Graduates find jobs working in medical or wellness environments.
